

Owners Manual of Optimist

.....

How to rig the mainsheet system (championship)

Just follow this step by step instructions - it is so easy!

Use the small shackle to joint the block and fixed deck plate.

Loose the big shackle, joint the main block, put on the spring outside and fix them together with the swivel base plate.

Open the optimist sprit tackle and throw the block to it.

Feed the rope first through the block middle hole, the rope end is made with a figure-of-eight-knot, joint the optimist sprit tackle and the block.

Feed the rope through the block which jointed the fixed deck plate from right to left.

Feed the rope through the block which jointed the sprit tackle from left to right.

Feed the rope through the main block
from left to right.

Pull the rope tightly.

Done.
